I have the honor to state that a cattle show was held at Nanjangud during the car festival of Sri Srikanteswara Swami from the 7th to 10th April 1914. Copy of Report from the Amildar of Nanjangud Taluk to the Deputy Commissioner. Mysore District.

Sir,

I beg to submit the following report on the Nanjangud Cattle Show for the year 1913-14.

In connection with the Show, two meetings were held, the 1st in February 1914 when it was resolved That the Show be held and That subscriptions be raised for the purpose. The second meeting was held on the 14th March 1914 and appointed an Executive body of 5 members to arrange details of the Show.

The Show was advertised in the Local Gazette and otherwise published to come off along with the annual Car-festival of Sri Srikanteswaraswami from the 7th to the 10th April 1914.

From the

The 7th April Cattle began to come in and by the 10th about 45 heads collected. The reason for the very small number of cattle heads to lie in the fact that most of the cattle owners kept back on account of the very good rains that fell only a few days before the show. They had to sow their fields and on the mountain crops and the few owners scared away by the outbreak of foot and mouth disease among the cattle in the town. However though less in number, the quality and kind of cattle were very good.

As a new feature the agricultural and Veterinary Departments were asked to depute an Inspector to lecture on Agriculture and its improvements and cattle breeding. Accordingly Messers Kom Rao and Shamvasa Iyengar visited the place and lectured with demonstrations.

The Gentlemen whose names are given in the annexed list were constituted into a body of judges. The judging of cattle for prizes which was announced to come off on the 10th morning had to be postponed to the 11th On accou of His Highness' visit to the Temple when most of the judges who were also Temple Dharmadarsi had to stay away from the Show-Duty. Accordingly on the morning of the 11th instant, the judges gave their opinion by votes on each individual cattle for each prize in each group; the one getting the highest number getting the 1st prize, the next the 2nd and so on.

Medals ordered from Messers C. Krishniah Chetty & Co of Bangalore and Consolation Money prizes aggregating to Rs 33/- were given away to the Selected Winners as per list enclosed under the

Presidency

Presidency of the Sub-Divisional Officer who exhorted the collected cattle owners and myots to adopt improved methods both in cattle rearing and tillage as per lines suggested by the Veterinary Inspector who lectured the previous day and by the Agricultural Inspector who lectured that day and the day previous. Pan-Supari and flowers were distributed as the band was playing Long Life to the King Emperor, His Highness the Maharaja and Royal family. The proceedings were terminated with a Vote of thanks to the President

Thanks are due to the Subscribers and the judges who cheerfully co-operated in the work.
